Unfortunately, we do not accept: Medicare, MVP – commercial.

For Residential Treatment Services the Department of Social Services/Human Resources Administration (DSS/HRA) provide three levels of benefits which include: room and board, SNAP and personal needs assistance. As a resident of a NYS OASAS approved Part 820 Residential Treatment Program a client will be required, if eligible to apply for all DSS/HRA benefits as described above. If you have active benefits, upon admission to St. Christopher's Inn, DSS/HRA is notified so that your budget may be adjusted to include room and board and personal needs. For those with active benefits that include family members, on a case-by-case basis, the individual client's benefits will be removed from the total family case benefit.

ACCOMMODATIONS

Residence is dormitory style.

Residential treatment length of stay is variable, short-term to more extended stay of several months to a year. We do provide shelter for up to 21 days maximum for those not seeking treatment or do not qualify for treatment but need temporary room and board.

ALCOHOL AND DRUG CRITERIA

Persons requiring medically managed inpatient detox must complete that detox prior to admission to St. Christopher's Inn.
